Please Note: These Time Blocks are tentative and may change. Attempts will be made to schedule all games within the timeblocks listed.

Preferences will be taken into consideration, but cannot and will not be guaranteed. Games may be scheduled on only one day of a timeblock, or may be split between multiple days of a timeblock.

Please Note: Time Blocks may shift and are subject to enrollment. In the event that a specific age division has an odd number of teams bye games may be placed on a day other than the game days listed above. Youth divisions have priority over adult divisions. Game changes are not allowed.

Registration Details: Registrations are accepted on a "first come/first served" basis and only when accompanied by a deposit of \$300 or payment in full. **Deposits are nonrefundable upon registration** (Unless WWSC cannot form a division in a specific age group). Teams must have full payment to WWSC by the Registration Deadline (Feb. 20th), in order to gain enrollment and team scheduling. Completed Team roster/waiver is due 30 minutes prior to the team's 1st game. Team's must turn original in to WWSC office and 1 copy to referee before game time. **Rosters are frozen at the start of the team's first game.**

Scheduling: Schedules may be picked up at WWSC front office after **5 PM December 18, 2009**. **Schedules will not be given over the phone, faxed or to any team that has not paid their team fee in full.**

Age Requirements: Please see reverse side for age criteria. Coaches are responsible for making sure all players on their respective team(s) meet the age criteria for the division for which they were registered. Refunds will not be given or transferred, if the team(s) were registered in the wrong age division.
